

ROCKFIELD STUDIOS

From 1963 to the present, ROCKFIELD STUDIOS have played host to many of the world's top recording artists

In our 40+ years global album best sellers from artists as diverse as Queen, Oasis, Robert Plant and last years top selling album by Paulo Nutini have all been recorded here...

We've played host to a cross section of some of the most influential performers over the decades including Iggy Pop, Nigel Kennedy, Dave Edmunds, Sepultura, Teenage Fanclub, The Stone Roses, Black Sabbath, Kasabian - the list is endless....

More recently artists like KT Tunstall, The Manic Street Preachers, The Delays and much tipped Goldhawk have worked here.

Top internationally acclaimed producers like Gil Norton, Steve Albini, Steve Osborne, John Leckie and Roy Thomas Baker have all chosen to bring sessions here in the past five years along with artists from Simple Minds to Tony Iommi, The Proclaimers to Ocean Colour Scene and The Delays all returning time and again.

WHY?

- 2 of the best live rooms in the world - the Quadrangle and the Coach House
- Studio equipment built around classic Neve and MCI desks
- Valve microphones by the dozen in each room
- Vintage analogue equipment as well as Protools
- Our Unique 'Natural Echo Chambers'
- We're fully residential with a total of 9 double bedrooms for the use of clients in the Quadrangle with the separate Coach House having 7 double bedrooms
- Flexible recording options depending on budget from self-catering to fully catered for with solutions in-between, all inclusive of the assistance of some of the best sound engineers around on each session and full maintenance cover
